

ControlByNet Welcomes Hank Copeland as Vice President of Sales

Norcross, GA – November 2, 2017 - ControlByNet (CBN) is proud to announce and welcome Hank Copeland as the company's Vice President of Sales. Copeland brings over 25 years of sales and business development experience to ControlByNet.

He joins the CBN team from D-Link as the Sr. Director - Service Provider Business Unit. Hank also comes to CBN as an accomplished professional with demonstrable success introducing innovative solutions and new business processes to market. His background ranges from focused VC funded start-up companies to entrepreneurial divisions of large technology corporations.

"As the original true cloud solution in security surveillance, we are excited to have found an experienced salesperson in selling new solutions," says ControlByNet CEO Ryan Strange. "He will be responsible for sales team leadership, driving revenue, contributing in product development, as well as, general management responsibilities."

About ControlByNet (www.controlbynet.com)
